camplanterncreek Campfire is always such a special night where campers are recognized for by staff and their peers and we celebrate new friendships made and long friendships rekindled. It marks the end of the session which went way too quickly. To our Second Session girls, we will miss you terribly and to their parents, thank you so much for sharing your amazing daughters with us. #clc #camplanterncreek #girls #campfire #momentsmatter #friendship #love #summer

camplanterncreek The middle schoolers tackled the ropes course yesterday. Taking on new challenges builds new confidence. It was great seeing smiles as each girl finished. #camplanterncreek #clc #summer2016 #summerfun #ropescourse #summercamp

camplanterncreek It's been a busy week for our water staff. Turtle has been training our new lifeguards and they are all now certified and ready to keep our campers safe during all our water activities. Looks like they managed to squeeze in some fun!

camplanterncreek Ever year we get an incredible group of high school girls in our Leadership program where they not only learn to take on new challenges on their way to becoming a counselor but they make a difference in the summers and lives of our younger campers. These bonds are so wonderful. Let's hear it for our leadership girls!! Are you going to be one this summer?? #camplanterncreek
